BUILDING IMPROVEMENTS OF 1913 ON MAIN STREET

In the list of building improvements during the past year the Bonanza made it appear that the Richard Mercantile company had erected four buildings on Main street. This was a palpable error, as the stores referred to were built by Charles L. Richards at a cost of \$7500. Attorney Richards has manifested his faith in the growth and permanency of the camp by a superior class of construction to meet the demands of merchants desiring large floor space and plate glass fronts where their goods can be shown to advantage.

SHEMANSKI'S STORE IS THE PLACE TO COMPLETE YOUR CHRISTMAS BUYING

With the prospect of going out of business on the first of the year there is no place like Shemanski's for buying Christmas gifts. It is not too late to take advantage of the offerings of this fine store, which has one of the finest selections of Libby's cut-glass ever seen in camp. The variety of articles embraces everything of a useful nature and the purchaser can find here anything from the commonplace to the finest artistic creation. This includes diamonds for ladies and gentlemen and an assortment of pretty things for the young folks. Mr. Shemanski is not closing out because he has lost faith in Tonopah, but for the reason that his old stand at the corner of Main and Brougher avenues has been leased for other purposes and he is trying to find an equally good location. In the meantime he is offering bargains that should be seen before the season's buying is over. The store remains open until 10 o'clock this evening.

CARD OF THANKS.

I desire to express my thanks to those who extended their sympathy and assistance in my bereavement.
